- Yes
- No

At least 2 yrs. experience as a concurrent or retrospective CDS in an inpatient acute care facility using the U.S. IPPS system?

- Yes
- No

Do you have an Associate's degree (or equivalent) in an allied health field (other than what was already listed)? Or, do you have formal education (college level) in anatomy & physiology, medical terminology, & disease process?

- Yes
- No

At least 3 yrs. experience as a concurrent or retrospective CDS in an inpatient acute care facility using the U.S. IPPS system?

- Yes
- No

Congratulations! You likely qualify to sit for the CCDS! (pending application approval)

Unfortunately, you do not qualify to sit for the CCDS exam at this time.
