Jane Wallace, PhD, RN, CCDS

Dr. Wallace received her PhD in Nursing at the University of Utah, and has worked in the Clinical Documentation Improvement (CDI) field since 2010. Her background includes critical care nursing, health care quality improvement and implementation research, and Clinical Documentation Specialist (CDS). She currently enjoys working with a fantastic CDS team at Providence Sacred Heart Medical Center in Spokane, Washington. In her spare time, she and her husband are busy building their next life adventure in the Ecuadorian Andes.

Did that clarification get out the door unanswered?

Tips from the clarification Ranger

Jennifer McHan, RN

This is a presentation of Jennifer's focus of work here at SHMC. The need for this position became apparent as our process has expanded to include all payers and Pediatric cases. Jennifer was tasked with developing her position and strategizing with the entire team for the best practices in accomplishing the goal of getting the process completed for the unanswered clarifications.
