

# ACDIS Symposium: Outpatient CDI AND Physician Advisor Forum

Sunday, April 19 - Monday, April 20th, 2026 | Hyatt Regency Chicago

Back by popular demand...ACDIS is combining our two popular pre-conference events in one exhibit hall! Exhibitors will have the benefit to network with CDI leaders and physician advisors, who are tasked with developing new Outpatient CDI programs, solving challenges in existing programs and/or educating new physician advisors or helping veteran advisors with their challenges.

The ACDIS Symposium: Outpatient CDI and the ACDIS Physician Advisor Forum both take place the day and a half preceding the National ACDIS Conference in the same hotel/convention center. Both groups of attendees will share breaks and meals in the same exhibit hall.

The exhibit hall will have six-foot tabletops as exhibit spaces so your team can set up your main booth at the National Conference. Spots are limited, and available on a first-come, first-served basis.

Benefits	Gold \$10,500 (Exclusive Sponsorship)	Silver \$8,700 (Exclusive Sponsorship)	Basic \$3700 OR \$3,500 at national conference	All Access Basic \$5,380 OR \$4,880 at national conference
