

## MAD LIBS

### *CDI in Orbit: Infinite Opportunities Edition*

Greetings Earthling! My name is   
(name) and I come from  
the faraway planet   
(noun) . I am orbiting the Earth in search of  
  
(adjective) in your hometown. Congratulations, you have been  
chosen to participate in my   
(adverb) study of earth life! I am very  
  
(adjective) about this mission and hope it will be   
(adjective) for  
you. I began my training at age   
(number) and this is my final test  
before I earn the title of   
(person title) cadet. I am a bit homesick, as I  
had to leave my   
(noun) behind, so first perhaps you could share  
your   
(hobby) with me. I have heard that the atmosphere here is

quite
